

World Congress of Cardiology

Scientific Sessions 2010

Featuring the 3rd International Conference on Women,
Heart Disease and Stroke

16 –19 June 2010 | **Beijing, China**

Poster Presentation Guidelines

- Dimensions of your poster: Max of **1.8 meters** high (but not less than 1.5 meters high) x **0.9 meter wide** (70,80 inches high x 35,40 inches wide).

- The title, authors' detail(s) and affiliation(s) should be printed at the top of your poster. The chosen font should not appear and be smaller than 5 cm (1,95 inches).

- Even at a distance of 1 meter from the poster board, the poster should be easily readable.

- Posters must be placed on the boards (provided by the organizers) with double coated tape (not provided by the organizers).

- Regarding the content structure of your poster the sections outlined below should be observed:
 - o Introduction
 - o Materials and Methods
 - o Results
 - o Conclusion(s)
 - o Wherever possible, results can be illustrated with picture(s) and chart(s)

- Posters must be put up and dismantled according to the time slots given by the organizers. Further detail about date and time will be communicated in due course.

- Should you not dismantle your poster, the staff will take the liberty to remove it. The Congress Organizers will accept no liability for your material and poster.
