The Turkish Heart Foundation

31 March 2004

Dear Dr. Phillip Poole-Wilson,

Following our letter of 20 February 2004 sent upon your subject request to the the President, Prime Minister and the Minister of Health in Turkey, as well as to our Minister in charge of Foundations urging for Turkey's signature of the Framework Convention on Tobacco Control (FCTC), the Turkish Ministry of Foreign Affairs has recently replied that Turkey will be signing the subject Convention by the end of April 2004.

We are very pleased to bring this matter to your attention for your information, and wish we remain in mutual collaboration.

Kindest regards,

Çetin YILDIRIMAKIN
