Session Outcomes

- Reframe your ambition into the ‘biggest possibility’
- Made a commitment in terms of who you need to be
- Have a set of tools and techniques to support working together, collaboration and partnerships
“How wonderful it is that nobody need wait a single moment before starting to improve the world”

Anne Frank, Diary of a Young Girl, 1945
What is the outcome that you are seeking to cause?
• Not what are you going to DO, but what will you HAVE, when you have succeeded?
• Where do you want to be in 2025?
• In defining your outcome, burst the balloon of possibility, define something that is better and fundamentally different to the status quo.
• For the moment, do not worry about ‘the how’.

How will you measure success?
• How will you know that you have succeeded?
• How is this measured?

Who do you need to be, in order to lead the achievement of this amazing outcome?
• How would you describe yourself in a way that inspires you and energises you every day, through which you are transformed to a big leader?
• This is an ‘I am’ statement.
CREATING THE BIGGEST POSSIBILITY – WORKING SESSION

Who is the team?

What are the milestones?

• What is your end date?
• What are the milestones against which you will measure your progress?
‘It is a terrible thing to look over your shoulder when you are trying to lead and find no-one there’

Franklin Roosevelt, US President
